PREFACE.

THIS Collection, although small, is very choice, the Coins and Medals being in the finest possible condition, having been selected with great care, and the Collection having been culled and re-culled of the poorer specimens, and replaced by finer until in its present condition.

The Greek and Roman specimens are very fine, several of great rarity.

Of the Foreign Medals will be noticed a complete set of the French Kings (seventy-five in number), beginning with Pharamond and extending to Louis Philippe I., all in beautiful condition.

A set of Victoria War Medals (seven in number), of exquisite workmanship and perfect. The American portion is not extensive, but contains many of value and rarity, and in superb condition—such as the Eccleston Washington Medal—Libertas Americana, bronze—Carroll Medal, bronze, etc.

The Catalogue has been carefully prepared by Prof. Daniel E. Groux, and pains have been taken to accurately describe each piece; no exaggeration of its condition having been allowed.

The measurement of the Greek and Roman pieces is by the scale of "Mionnet," and the remainder by the American scale.

Gentlemen who cannot attend the Sale, may have their Commissions faithfully executed by the Auctioneers.

Auction Rooms for the sale of Literary Property, Paintings, and Works of Art, CLINTON HALL, ASTOR PLACE, NEW YORK.

*** Libraries Catalogued, Arranged, and Sold, and Prompt Settlement made for all Sales in Cash.

Small consignments of Books, Paintings, etc., received and inserted in occasional Sales with property of a kindred description, thus giving the same advantage to the owner of a few lots as to the possessor of a large collection.

Orders to Purchase from this Catalogue will be carefully executed by
MR. EDWARD COGAN, 68 William Street, New York.
MR. C. F. DEFOREST BURNS, Care of Leavitt, Strebeigh & Co.
